

Western Connecticut Electric Car Club

January 11, 2016

DAVID A. RITCH
TRI-TEACHER FCU
61 Jessup Rd
Westport, CT 06880

Dear David:

As president of the Western Connecticut Electric Car Club LLC, I am writing to request membership for our members in the TRI-TOWN TEACHERS FEDERAL CREDIT UNION. We support your efforts to provide electric vehicle charging at your credit union, and we embrace your efforts for conservation. This is in line with our mission.

We are a growing organization with current membership totaling 176.

Our proximity to your office is approximately six miles.

I have attached the most recent articles of organization and mission statement filed with the Connecticut Secretary of State for your review.

Thank you for considering adding our organization to your field of membership.

Sincerely,

John Smith
